- v. The registration and registration number will be confirmed as and when the student completes the course work successfully within a period of two years.

## **11. Doctoral Committee**

- i. There shall be a Doctoral Committee (DC) to monitor the progress of each student registered for research in the University/Recognized Institution.
- ii. In the case of the University, the Vice-Chancellor, in consultation with the Research Guide shall constitute the Doctoral Committee with the Research Guide as Convener, the Joint Guide, if any, and an approved Research Guide from the same or allied area in the University as members.
- iii. In the case of a Recognized Institution, the Head of the Recognized Institution in consultation with the Research Guide shall constitute the Doctoral Committee with the Research Guide as Convener, the Joint Guide, if any, and an approved Research Guide from the same or allied area in the University and the Head of the Institution as members.
- iv. The Doctoral Committee shall be in existence during the full period of registration of a candidate and shall be reconstituted with such changes in membership as may become necessary from time to time in accordance with *clause (ii) & (iii)* above.
- v. The Doctoral Committee shall provide necessary assistance to the research student to ensure that good progress is made by him/her.
- vi. All research students shall submit progress reports to the respective Research Guides every six months which shall be discussed in the Doctoral Committees to assess the progress of the work.
- vii. The Doctoral Committee shall prepare the syllabi and panel of question paper setters/examiners for the course work.
- viii. The Doctoral Committee shall make recommendations on matters such as *(a) the conversion of registration from full-time to part-time or vice versa, (b) granting leave to the candidate for short term assignments, training etc, and (c) cancellation of registration in case of unsatisfactory progress, unethical practices in research committed by the student, or misconduct of the student.*
- ix. The Doctoral Committee shall be responsible for the preparation of the panel of adjudicators for the evaluation of the thesis.

## **12. Payment of Fees**

- i. Every research student shall be required to pay, in time, the fees prescribed by the University, failing which his/her name shall stand removed from the rolls if the default is more than 30 days after the due date.
- ii. Within a period of 30 days from the date of removal from the rolls, the candidate may be readmitted by the Vice-Chancellor/Head of the Research Institution on an application made by the candidate, duly recommended by the Research Guide and on payment of all arrears of fees, readmission fee and the fine as the University may prescribe from time to time.

- iii. In cases where the default in payment of fees exceeds 30 days and candidate fails to apply for readmission within the next 30 days he/she will be required to apply for readmission within 180 days, which shall be placed for consideration before the Research Committee. If the Research Committee is satisfied with the genuineness of the causes of delay, it shall be competent to take appropriate decision. The registration of a candidate, who is in default of fees for more than 180 days from the due date, shall remain cancelled.
- iv. Every research student shall submit a report of the progress of the research achieved and attendance certificate countersigned by the guide during the previous semester before the payment of the next semester fees.

### **13. Attendance**

- i. Notwithstanding anything contained in these Regulations a candidate who comes under the National/State or such other fellowship or scheme/project etc., shall be governed by the respective rules governing the award of such fellowship/scheme/project, regarding attendance, leave, etc.
- ii. A student registered as full-time research student will be required to have at least 80% attendance in every semester failing which his/her name shall be removed from the rolls of the University subject to the provisions under *sub clauses (iii), (iv), (v) and (vi)* below.
- iii. The Vice-Chancellor shall be competent to condone the shortage of attendance upto 10 % on an application made by the student, duly recommended by the Research Guide and endorsed by the Doctoral Committee.
- iv. A Research student will be eligible to attend conferences/ seminars/ symposia/specialized training programmes connected with his/her area of research or participate in research cruises or visit other places for collecting data, and such days when they were away from the University or Recognized Institution, including days of travel, shall count for attendance or for periods of being in residence at the University, if they have been duly authorized to do so by the Research Guide with intimation to the Vice-Chancellor/Head of the Institution.
- v. Notwithstanding anything contained in the Regulations regarding attendance, a candidate registered for full-time research shall be eligible to avail of leave for thirty days in one calendar year and maternity leave as per University rules, along with leave without fellowship for three months on medical grounds or for any other genuine reasons with the consent of the Research Guide.

### **14. Course Work**

- i. After having been admitted, each Ph.D. student shall be required to undertake course work for a minimum period of one semester. The course work shall be treated as pre-Ph.D. preparation. The structure of the course work shall be as follows:

| Title of the course | Credit | Marks                 |                          | Total |
|---------------------|--------|-----------------------|--------------------------|-------|
|                     |        | Continuous Evaluation | End Semester Examination |       |
| I                   | 5      | 50                    | 50                       | 100   |
| II                  | 5      | 50                    | 50                       | 100   |
| III                 | 5      | 50                    | 50                       | 100   |
| IV                  | 5      | --                    | 100                      | 100   |

The details of course shall be as follows:

Course I : *General course comprising of the broad area of research*

Course II : *Topics specific to the core field of research*

Course III : *Research Methodology including Quantitative Methods and Computer Applications*

Course IV : *Review of literature on the topic of research*

- ii. The syllabi and titles for courses I and II shall be prepared by the respective Doctoral Committee of the student and approved by the Research Committee. The syllabus and title for course III shall be formulated by the Research Committee. For Course IV, the Doctoral Committee shall guide/supervise and monitor the progress of the student periodically.
- iii. Continuous evaluation shall be done by the teachers offering the courses. Setting of the question papers and their evaluation for end-semester examination (except course IV) shall be carried out by a Board of Examiners nominated by the Research Committee. For course IV, at the end of the semester, the student shall submit a report on the scope, relevance and purpose of the research work, its identified objectives, review of literature, research methodologies to be followed and expected outcome of the thesis work. The evaluation of Course IV shall be done by the Research Committee or a subcommittee nominated by the Research Committee at the end of the semester, through an open seminar.
- iv. Based on the marks obtained in the examinations the students may be awarded grades as detailed below:

| Range of Marks | Grades          | Weightage |
|----------------|-----------------|-----------|
| 90% and above  | S - Outstanding | 10        |
| (80-89)        | A- Excellent    | 9         |
| (70-79)        | B- Very Good    | 8         |
| (60-69)        | C- Good         | 7         |

| Below 50%      | F- Failed       | 0         |

Overall performance at the end of the semester will be indicated by Grade Point Average (GPA) calculated as follows:

$$\text{GPA} = \frac{G_1C_1 + G_2C_2 + G_3C_3 + \dots + G_nC_n}{C_1 + C_2 + C_3 + \dots + C_n}$$

where ‘G’ refers to the grade weightage and ‘C’ refers to the credit value of corresponding course undergone by the student.

- v. Students who are not able to acquire a minimum grade of 6.0 in any Course shall be given one more chance to complete the course work successfully. If he/she cannot acquire the required 20 credits within a period of 24 months from the date of his/her PhD registration, his/her registration will be cancelled.
- vi. If found necessary, course work approved by the Doctoral Committee may be carried out by the doctoral candidates in other Universities or Institutions recognized by the University as Centers of research.
- vii. The Research Committee will scrutinize the grades awarded to the candidate in each course, and finalize the results. On successful completion of the course work by acquiring 20 credits, the candidate shall be given a certificate of eligibility for continuing doctoral research (both the Grade Cards and certificate of eligibility will be issued by the Chairman of Research Committee).
- viii. Registration shall be confirmed by the University on receipt of Grade Card.

### 15. Publication of Research Paper

Every candidate shall be required to publish at least one research paper in a refereed journal before submitting the thesis. . A copy of the research paper or a letter of acceptance from the editor of the journal with a copy of the manuscript has to submitted at the time of submission of synopsis of the thesis as given in Clause 21 (v) d

### 16. Change of Research Guide

- i. The Research Committee shall have the power to consider the request of a candidate to change his/her Guide or to have a Joint Guide provided that the request is supported by his/her guide and the prospective Joint Guide, and the request is recommended by the Doctoral Committee. If the Research Committee gives assent to the request, the matter shall be reported to the University.
- ii. However, such request for change of Guide or Joint Guide shall be made at least six months prior to the candidate’s giving notice for submission of the thesis for adjudication by examiners, provided however that, this limitation shall not be applicable in the case where the present guide is unable to continue supervision due to reasons of health, shifting of place of work/residence to a distant place, or similar unavoidable reasons.

### 17. Change of Centre of Research

The Research Committee shall have the power to consider and to give assent to the request of the candidate for change of Centre of Research, provided the request is

recommended by the Research Guide and the Doctoral Committee and is accompanied by a 'no objection certificate' from the Head of the present and newly proposed recognized Centre of Research. Such instances of change in the Centre of Research shall be reported to the University immediately.

### **18. Change of Area of Research**

- i. A candidate who is registered for research shall be eligible to apply for the change of the topic or the area of research on payment of the prescribed fee and the Research Committee shall be competent to give assent to the request, which has been duly supported by the Research Guide and the Doctoral Committee and the University shall be informed accordingly. However, such an application for change of topic / the area of research shall be permitted only once during the period of registration, and further that the application for the same shall be made at least one year prior to the notice for submission of thesis.
- ii. A candidate who is registered as a research student shall be eligible to request for approval or a change in the title of his/her thesis and the Doctoral Committee shall be competent to give assent to the request, provided that in the case of change in the title of research, the request shall be made at least one month prior to the submission of thesis.

### **19. Conversion of Registration from Full-Time to Part-Time**

- i. A candidate who is registered for the Ph.D. Programme shall be eligible to apply for conversion of research work from full-time to part-time and vice versa. The Research Committee shall be empowered to grant the request, which is duly recommended by the research guide, and endorsed by the Doctoral Committee. In such cases the matter shall be reported to the University for confirmation. In such conversion the maximum period of registration will be as in the case of Part-time students.
- ii. Conversion from part-time to full-time or *vice versa* will be allowed only twice during the period of registration.

### **20. Period of Registration of Research Students**

- i. A candidate who is registered for the Ph.D. Degree as full-time student and has completed the course requirements shall be eligible to submit his/her thesis for adjudication, on completion of two years of registration. In the case of part-time students the minimum period of registration shall be three years.
- ii. A candidate who is registered as a full-time research student shall remain on the rolls of the University for a maximum period of six years provided that he/she satisfies the periodic progress and the dues are cleared as per rules. The Research Committee shall be competent to extend the period of registration for one more year at the recommendation of the Doctoral Committee and the Research Guide provided that the candidate has made satisfactory progress and the application for extension is made after paying the prescribed fee. However the application should be submitted before the expiry of the registration period.

- iii. A candidate who is registered as a part-time research student shall normally remain on the rolls of the University for a maximum period of seven years after which his/her registration will lapse. The Research Committee shall be competent to extend the period of registration for one more year on the recommendation of the Doctoral Committee provided that the candidate has made satisfactory progress, and the application for extension is made after paying the prescribed fee before the expiry of the registration.
- iv. A candidate shall cease to be on the rolls of the University as research student as soon as his/her Open Defence is over, or from the date on which his/her registration is cancelled or lapses for other reasons.

## **21. Submission of the Thesis for Ph.D. Degree**

- i. Every candidate for the award of the degree of Doctor of Philosophy shall be required to submit a thesis embodying the results of his/her research findings to the University for adjudication by examiners.
- ii. The thesis shall be written in English and should conform to the format and standard prescribed by the University from time to time.
- iii. The candidate shall submit five copies of the synopsis conforming to the specification prescribed by the University along with a CD containing soft copy of the Synopsis in PDF format at least one month before the submission of the thesis
- iv. The panel of experts prepared by the Doctoral Committee shall be forwarded to the university through the Research Guide. In the case of recognized institutions, panel of experts prepared by the Doctoral Committee shall be submitted to the University by the concerned Head of Institution. The panel should contain names of at least ten experts not below the rank of an Associate Professor of a University or an equivalent rank in a reputed research institution. At least five experts of this panel should be from outside the State.
- v. A candidate proposing to submit the thesis shall inform the University, at least one month in advance and such intimation shall be accompanied by a certificate from the Research Guide that he/she has presented the salient features of the proposed thesis in a pre-submission Seminar in the University/Institution. The request shall be accompanied by:
  - a. *Synopsis as described in 20(iii).*
  - b. *A panel of atleast **Ten** experts (clause iii above) not below the rank of Associate Professor in a University or holding an equivalent post in a reputed organization.*
  - c. *Copy of the Grade cards in respect of the Ph.D. course work.*
  - d. *Copy of **at least one research paper** published/ letter of acceptance with copy of the manuscript along with a certificate from the Doctoral Committee to the effect that the paper is published in a refereed journal.*
  - e. *Attendance certificate.*
  - f. *A certificate from the Research Guide countersigned by the Chairman, Research Committee, stating that the candidate has presented his/her pre-submission Seminar*

  - h. *Evidence of having paid the required fees prescribed by the University.*
- vi. The candidate shall submit the thesis after the expiry of one month from the date of notice, but within a period of six months. The delay in submitting the thesis beyond six months, but within one year may be condoned by the Research Committee on the recommendation of the Doctoral Committee. The Vice Chancellor may condone delay for a further period of six months in exceptional cases, provided further that the candidate shall submit his/her thesis only during the currency of his/her registration.
- vii. The candidate shall submit to the University five copies of the thesis, printed or typed clearly in the format prescribed by the University along with a CD containing soft copy of the thesis in PDF format. One soft copy shall be displayed in the University/Recognized Research Institution *one week* preceding the Open Defence.
- viii. A thesis shall be accompanied by the following:
- a. A declaration signed by the candidate to the effect that the Thesis is the outcome of the original work done by the candidate, and that the work did not form part of any Dissertation submitted for the award of any degree, diploma, associateship, or any other title or recognition from any University/ Institution.
  - b. A certificate by the research guide(s) to the effect that to the best of his/her/their knowledge the thesis is a bonafide record of research carried out by the candidate under his/her/their supervision.
  - c. A certificate from the Resarch Guide to the effect that all the corrections and modifications suggested by the Research Committee in the pre-submission Seminar have been incorporated in the thesis.
  - d. An appendix containing research articles published by him/her alone or jointly with others in the same area of study as additional evidence of the research work done by the candidate.

## **22. Procedure for Adjudication of the Thesis**

- i. The thesis shall be adjudicated by two external experts nominated by the Vice-Chancellor, of which at least one shall be from outside the State.
- ii. (a) Each examiner shall be requested to send a separate individual report on adjudication of the thesis, wherein it shall be specifically stated, whether or not the examiner recommends the award of the degree based on the written thesis, with reasons for the recommendation. If the thesis does not meet the standard expected of a Ph.D. thesis, the thesis may be rejected.
- (b) In the event of one examiner recommending the thesis for the award of Ph.D. Degree and the other examiner rejecting it, the thesis shall be sent to a third examiner nominated by the Vice Chancellor, from the same panel and the decision of the third examiner shall be final.

- (c) If both the examiners reject the thesis, the Ph.D. degree will not be awarded to the candidate. But if one or both the examiners suggest resubmission of the thesis, after revision, the candidate may resubmit the thesis incorporating the changes proposed by the examiner after a period of six months and on payment of such fees as may be prescribed by the University. On resubmission, the thesis shall again be sent for adjudication as far as possible to the same examiner who had adjudicated it earlier and, if not, by substituting with a new examiner who shall be selected from the same panel.
- (d) The candidate shall have no further chance for resubmission of the thesis and the decision to accept or reject the thesis at this stage shall be final.
- iii. If both the examiners recommend for the award of the Ph.D. Degree, the University shall make arrangements for the conduct of Open Defence and a viva voce examination. The Open Defence/viva voce board shall consist of the Chairman of the Research Committee as Chairman and any one of the examiners nominated by the Vice Chancellor, from the panel of examiners prepared for the adjudication of the thesis, the Research Guide and Joint Guide/co-guide, if any, as members.
- iv. Viva voce examination shall be held at a place and time decided by the University after making prior announcement of the same, and after issuing notice to all the research guides, faculty and researchers of the University/Recognized Institutions sufficiently in advance.
- v. There shall be an Open Defence of the thesis by the candidate where he/she has to explain the motivation and relevance of the work, innovation in methodology and salient features of the findings. He/She shall satisfactorily answer the questions put forward by the audience. This shall be followed by an in camera viva voce examination conducted by the viva voce board.
- vi. The Chairman and the external expert shall be present at the Open Defence/viva voce examination.
- vii. If the viva voce examination is not held on the scheduled date, the candidate shall be required to be present for the Open Defence and viva voce examination on a subsequent date, as intimated to him/her.
- viii. If in the opinion of the viva voce board the candidate is successful in the viva voce examination and has defended his/her thesis satisfactorily in the Open Defence, the board shall prepare a consolidated report and present it to the University recommending the Award of the Degree. The candidate shall submit the hard bound copy of the thesis along with a soft copy in PDF format after incorporating all corrections/suggestions made by the examiners. The supervising teacher shall give a certificate stating that all corrections are made in the final copy of the thesis.
- ix. If in the opinion of the viva voce board the candidate is not successful in the viva voce examination the candidate shall be given an additional opportunity after one month for the viva voce/Open Defence after payment of the prescribed fee, and the decision of viva voce board at this examination shall be final.

- x. The award of Ph.D. Degree will be with effect from the date of successful completion of viva voce examination as noted by the consolidated report of the Board of Examiners. If there are any minor modifications/corrections suggested by the examiners, the certificate from the University will be issued only after the receipt of the final modified thesis copy and CD.
- xi. The University shall issue a provisional certificate to the candidate to the effect that he/she has successfully fulfilled all the requirements including course work for the award of the Ph D degree in accordance with the UGC guidelines.

### **23. Publication of the Thesis**

A candidate who has been awarded the Degree of Doctor of Philosophy shall be free to publish his/her thesis with a proper acknowledgement to the University.

### **24. Transitory Provisions**

- i. The present regulations shall supersede all earlier regulations in the matter, and all registrations of candidates for the degree of Ph.D., from the session beginning in July/August 2011 onwards, shall be made under these Regulations.
- ii. A student registered under the earlier regulations shall be eligible to opt to come under these Regulations, but such option shall be exercised within a period of six months from the date of notification of these Regulations.
